UK Stewardship Code

Under COBS Rule 2.2.3R of the FCA's Conduct of Business Sourcebook, KCPL is required to include on this website a disclosure about the nature of its commitment to the UK Financial Reporting Council's Stewardship Code (the "Code") or, where it does not commit to the Code, its alternative investment strategy. The Code is a voluntary code and sets out a number of principles relating to engagement by investors with UK equity issuers.

KCPL pursues investment strategies that involve investment in frontier market securities and UK equity securities are not included in its investable universe. Therefore while KCPL generally supports the objectives that underlie the Code, it has chosen not to commit to it.
